## THE WHO

## THE WHY

The Power of JOy organization is dedicated to accomplishing the mission of Joann Randall to make joy more accessible for all, and especially for those experiencing hardship.

We empower individuals in difficult situations to not only be the receivers of joy, but also to pass it on.

This is our main fundraising effort, directly supporting our five signature programs. Donations ensure these transformative programs continue to thrive, bringing joy to those who need it most.

### Our Programs:

- **POJ Kids**  
*Reaches underserved Cleveland youth with special events year-round*
- **POJ Hiking Through Loss Group**  
*Kinship and community for those who've experienced the loss of a spouse or parent*
- **POJ Huddle**  
*Weekly connection and movement for women and girls with exceptionalities*
- **POJ Community Service Group**  
*Volunteering monthly across the greater Cleveland area*
- **JAGS (Joy Ambassador Groups)**  
*Work together to create joyful opportunities for people experiencing hardship*
